

BUSINESS CONTROLLER

Posted on 6 april, 2021

Company Name Confidential

Location Malmö

Job Description

Our client is a global company in life sciences. To be based in Malmö, we are recruiting a Business Controller, reporting to the CFO.

You will be the key analytical person, acting as the go to person on operational financial matters, participating and driving continuous improvement from sales force efficiency to operations improvement (COGS, OPEX, CAPEX etc.). This is a great opportunity for you to build and run a business finance function, ensuring all data is available, updated and timely reported from sales to costs and profit to cash flow.

Strong analytical skills are required and ideally you have been exposed to capital markets, fundraising, investors etc.

You also need to be a skilled user of Excel and PowerPoint.
