

CEO

Posted on 20 september, 2023

Company Name CONFIDENTIAL

Location Göteborg

Job Description

Our client is a well-established and respected company in Life Sciences, with some 30 employees and an annual turnover of approximately 130 MSEK. Headquartered in Göteborg, and with a Nordic sales organization, the company is part of a Group with some six companies, with an accumulated turnover of 230 MEUR.

The CEO we're looking for has a solid track record in sales, strategy, and innovation. You have a strong ability to lead and drive sales and you're familiar with different tools and processes to systematically improve sales efforts and drive growth.

We are looking for a leader who empowers others while giving a clear vision and direction. As our new CEO you have a strategic and visionary leadership style, with the ability to inspire and motivate all team members.

The position requires Senior Leadership experience from biotech, medtech, pharma, or diagnostics – the Life Science Industry. You must have had the P&L responsibility and being able to set the company strategy and to implement it. An advantage would be to understand the role of the importer/distributor (including service). Swedish language is a requirement for this position.

As our new CEO you'll have the chance to shape the company's future. We expect you to be passionate about challenging status quo and developing the company years ahead.

To apply
