CLINICAL TRIAL MANAGER

Posted on 18 november, 2024

Company Name XVIVO

Location Göteborg

Job Description

We are looking for a new colleague to join the Clinical Affairs team to support our activities within post-market clinical follow-up (PMCF) and external research initiatives. The ideal candidate has experience in clinical trial management and research support in a post-market setting. In addition, registry set-up and an understanding of clinical databases will help you succeed in this role.

Working at XVIVO is more than a job – it is an opportunity to change the world for transplant patients waiting for a new organ. This position offers an opportunity for the right candidate to be part of the challenging and exciting journey shaping the company's future and taking the business to new heights.

As a **Clinical Trial Manager** at XVIVO you will be engaged in the following activities.

KEY ACCOUNTABILITIES

- Responsible for PMCF activities
- Manage registry set-up and implementation
- Support Investigator Initiated Research through proposal management and follow-up
- Support to or manage assigned clinical trial planning, execution and reporting

ESSENTIAL FOR THE ROLE

- Master's degree in science, medicine or equivalent
- Strong experience in Clinical Trial Management within medical devices
- Experience with 'real world' evidence collection (PMCF / Registries / etc.)
- Thorough understanding of ISO 14155 and other relevant standards/guidelines
- Ability to work independently, drive and make decisions and execute them as needed
- Ability to plan and handle the work in a proactive way
- Very good collaboration with colleagues, internal and external stakeholders
- Very good communication skills
- Fluent in spoken and written English

Why XVIVO

At XVIVO, we are more than just a workplace; we are a community of engaged individuals committed to making a difference in the world. As a company, our vision guides our work, and our core values serve as the guiding principles that define our culture. Join us on a journey where innovation and research meet impact, and every team member plays a crucial role in shaping XVIVO's future. We Believe in an Extended Life for Organs. Nobody Should Die Waiting for a New Organ

Our core values: *Customer Centric, Research Driven, Purposeful, Collaborative*

To apply

Applicants must be authorized to work for **any** employer in the country in which the job is based. We are unable to sponsor or take over sponsorship of an employment visa currently.

XVIVO is an equal opportunity employer. We look forward to your application!

This recruitment is managed by Moveup Consulting AB. To apply, please send your CV to Fredrick Asare, fredrick.asare@moveup.se. We are screening applications continuously and will close the position as soon as we find the right person.

If you have questions regarding Oticon or this open position, please contact Fredrick at 0733 – 44 09 00 or Tom Bergqvist at 0733 – 87 27 22

By submitting your application, you also consent to us storing your personal data, including CV & cover letter and that we have the right to share this information with third parties (our client). You can revoke the consent whenever you want.

Om företag

XVIVO is a medical technology company listed on the Nasdaq Stockholm exchange, with headquarters in Gothenburg, Sweden, a production site in Lund, Sweden, offices in USA, Italy, and

the Netherlands. The company is firmly rooted in medical science with its core business in organ transplantation. XVIVO is the first in the world to offer both machines and consumables for all major solid organs. We are committed to bringing innovative technology for storage, evaluation, and treatment of organs to transplant centers around the world, enabling the safe use of more donated organs and ultimately giving more patients the chance of a life-saving transplant.

Company culture

The culture of XVIVO is the culture of a small company with high growth ambitions based on the foundation of a common belief that patient safety, our vision – "Nobody should die waiting for a new organ", is key for our success. We strongly believe in the fact that nothing is impossible and thrive to get the job done. We, no matter which position or work description, are always focused on helping our customers.

Why work at XVIVO?

Working at XVIVO is more than a job – it is an opportunity to change the world for transplant patients waiting for a new organ.
