

INTERNATIONAL PRODUCT MANAGER

Posted on 21 september, 2022

Company Name Circius Pharma

Location Gothenburg

Job Description

As our new International Product Manager, reporting directly to the Vice President, Marketing and Sales, you will contribute to Circius Pharma continued growth. You will be included in the international sales and marketing team. The role will be based in Gothenburg at our office located in Askim.

Your responsibilities include

- Take ownership and establish strategic direction of assigned product categories
- Develop product road map, work on innovation projects and product licensing opportunities
- Liaise with Nordic sales organization and marketing team
- Interact closely with customers and key opinion leaders in order to understand customer needs
- Develop new marketing material and work with marketing agency

Qualifications

- Academic degree in business, life science, marketing or similar
- Previous experience from working with product marketing is a requirement
- Previous experience from medical technology or pharma is a requirement
- Excellent written and verbal communication skills

To be successful in your role you are business oriented, customer focused and passionate about delivering value to others. You have an entrepreneurial mindset, a positive, 'can-do' attitude with a high level of curiosity. It is important that you are a team player that loves working with people and that you have a passion for marketing and sales. The ideal candidate has solid experience within global life science marketing. Welcome with your application!

This recruitment is handled by our recruitment partner, Moveup Consulting AB. If you have questions regarding Circius Pharma or this open position, please contact Ann at 0733-44 09 00. To apply, please send your CV and a cover letter to ann.rutt@moveup.se

We are screening applications continuously.

By submitting your application, you also consent to us storing your personal data, including CV & cover letter and that we have the right to share this information with third parties (our client). You can revoke the consent whenever you want.
