

REGIONAL MANAGER – DERMO AESTHETIC, PROFHILO/ALIAXIN

Posted on 12 december, 2022

Company Name IBSA

Location Stockholm

Job Description

IBSA is now looking for a Regional Manager in Sweden to join their Nordic team within dermo aesthetic.

As Regional Manager, your main purpose will be to identify potential and enable new business opportunities as well as developing existing customer relations in your territory which includes north part of Sweden, Stockholm and down to Jönköping. It is desirable that you live in Stockholm.

Responsibilities:

- Sales of Dermo aesthetic products to Dermo aesthetic physicians and private clinics.
- Responsible for planning and execution of sales calls in your area
- Analysing the market, preparing activities based on the account plans and executing accordingly in close collaboration with your manager.
- Targeting, segmentation, call frequency and coverage according to agreed targets.
- Actively taking initiatives to enhance team-work and collaboration with colleagues.
- Responding to critical business opportunities and threats with a high sense of urgency.
- Occasional travel activities in all four Nordic countries are to be expected.

Requirements:

- Nurse with preferred professional background in the field of Dermo aesthetic – at least three years in a customer-facing role.
- Sales experience and a proven track record of your own sales results.
- Strong business acumen, good understanding and interpretation of sales figures and a superior capability of building relationships at all levels.
- Good level of knowledge of MS Office programs and experience working with a CRM system.
- Solid understanding of customers' needs and able to create and offer value-adding solutions.
- Effective communication and writing skills.
- Strong negotiation skills.
- Network in the business will be an advantage.

Personal Competencies:

- Can-do attitude & mentality is needed to be able to take initiatives into your own direction.
- Innovative by challenging assumptions and traditional way of doing things.
- Solution oriented who tries different or unique ways to address work problems or opportunities.
- Flexible and innovative with strong entrepreneurial business mindset.
- Able to structure your work and work independently.
