

SALES COORDINATOR

Posted on 19 augusti, 2025

Company Name Integrum

Location Göteborg

Job Description

Make a real difference in the lives of people with mobility challenges.

Join **Integrum**, the global leader in osseointegration for amputees, as our next **Sales Coordinator**. In this varied, hands-on role, you'll be a key support to our internal sales team and international distributors – primarily across Europe.

Your Role

You will support **sales operations, customer and distributor relations, order handling, and marketing activities** – ensuring smooth day-to-day operations and contributing to our global growth.

Key responsibilities include:

- Managing CRM data and responding to customer inquiries
- Coordinating sales orders and logistics
- Supporting internal and distributor sales teams
- Assisting with marketing content creation and digital outreach
- Organizing training sessions, events, and congress logistics
- Compiling sales reports and forecasts

What You Bring

- Experience in sales, marketing, or customer/logistics support
- Organized, detail-oriented, and proactive mindset
- Strong communication skills and a service-oriented approach
- Familiarity with digital marketing and social media; CRM experience is a plus
- Proficiency in MS Office, Indesign and Photoshop experience is an advantage but not a must have

- Professional English skills
- Experience in MedTech and/or working with international distributors is advantageous

Why Join Us

- Work with life-changing, high-tech medical innovations
- Be part of a dynamic, collaborative, and dedicated team
- Grow personally and professionally in a meaningful role
- Enjoy a modern, inspiring workplace in the heart of GoCo

Apply now and take the next step in your career!

In this recruitment Integrum is collaborating with Moveup Consulting.

We review applications continuously – so apply early!

By submitting your application, you also give your consent to storing your personal information, including a CV & Cover letter, and that we have the right to share this information with third parties (our client). You can withdraw your consent at any time.

Om företag

Founded in 1998, Integrum AB develops the groundbreaking **OPRA® Implant System** – a bone-anchored prosthesis that improves mobility, comfort, and quality of life for people with limb loss. Backed by decades of research, we are on an exciting growth journey and remain the world leader in our field.

Our headquarters is in **GoCo Health Innovation City** in Mölndal, a dynamic life science hub just outside Gothenburg.
