

SALES DIRECTOR EMEA, AMERICAS & ASIA

Posted on 7 september, 2020

Company Name Biolin Scientific

Location Göteborg

Job Description

Biolin Scientific is now looking for a Sales Director EMEA, Americas & Asia. In this position, you will be responsible for sales results and the overall relationship between Biolin Scientific and distribution partners in the regions. You will manage an In-house Sales team as well as Regional Sales Managers in Sweden, Finland and the UK. This is an outstanding career opportunity to join a market leading innovative company making state of the art instruments and smart solutions for scientists globally. In collaboration with leading universities and industries, Biolin Scientific solve challenges to simplify everyday life in the lab.

Your location will be the head office in Gothenburg. As a member of the management team, you report to the CEO.

Main responsibilities

- Manage our distribution partners and sales operations in EMEA, Americas and Asia Pacific (excluding China).
- Together with Regional Sales Managers monitor and generate sales plan for our distribution partners.
- Manage our opportunity funnel both long term and short term, in order to meet our financial goals.
- Responsible for sales budget and cost budget for the team.
- In close co-operation with Marketing carry out activities like trade shows, conferences and campaigns according to agreed sales plan.

This role requires

- Academic degree in relevant area or equivalent experience
- Sales Management experience
- Team management skills
- Excellent written and verbal communication skills.
- Fluent in business English

- Competent computer skills in Word, Excel, PowerPoint, and CRM (Salesforce)

To succeed in this role, you must be well versed in the management of distribution sales, marketing functions and related processes. You have strong leadership skills, experience in business development and business management solutions. Sales and negotiation skills to effectively present business proposals on several levels is required. You also have the ability to manage the sales pipeline and provide regularly updates to the CEO.

It is important that you are a strong team player who actively seeks opportunities to support the territory's activities and eagerly contributes with ideas during territorial meetings.

You must be able to travel. Expected travel time between 30 – 40%.
