SUPPLY CHAIN SPECIALIST

Posted on 12 maj, 2025

Company Name XVIVO

Location Lund

Job Description

Working at XVIVO is more than a job – it is an opportunity to change the world for transplant patients waiting for a new organ. This position offers an opportunity for the right candidate to be part of the challenging and exciting journey shaping the company's future and taking the business to new heights.

XVIVO is in a rapid growth phase, including both geographical expansion and the development and launch of new products and supporting processes. We are now looking for a Supply Chain Specialist to join our team. This is an opportunity to play a crucial role at a global medical technology company dedicated to extending the life of organs – so transplant teams around the world can save more lives.

SUPPLY CHAIN SPECIALIST

MAIN TASKS AND RESPONSIBILITIES

As a Supply Chain Specialist at XVIVO, you'll play a crucial role in ensuring the availability of life-saving equipment through purchasing and planning. Your keen attention to detail and strategic thinking will enable us to maintain optimal stock levels, safeguarding our ability to meet the critical needs of healthcare providers and patients.

Your responsibilities will include:

- Responsible for supply chain development and optimization
- Planning and purchasing of finished products and production material based on sales forecast and defined safety stock levels
- Responsible for creating and reporting manufacturing orders
- Manage material authorizations in accordance with the production plan and sales forecast
- Responsible for shipments of finished devices to XVIVOs warehouse
- Plan and implement activities to ensure continuous supply of components and services
- Identify supply risks and implementation of adequate mitigations

In addition, you may represent purchasing in development projects, ensuring the right volume is

delivered in a timely manner.

REQUIREMENTS

- General knowledge about supply chain, purchasing and planning
- Experience working in ERP-system
- Experience working in Microsoft Excel and PowerPoint with skill to visualize production schedule
- Ability to identify risks within supply chain
- Good internal and external communication skills
- Attention to detail
- Swedish and English, written and spoken

Additionally, we are looking for:

- Analytical skills
- Experience within medical device industry (preferred but not mandatory)
- Experience working for a multinational company – preferred
- Knowledge within quality/regulatory compliance

Why join XVIVO?

At XVIVO, we are more than just a workplace; we are a community of engaged individuals committed to making a difference in the world. As a company, our vision guides our work, and our core values serve as the guiding principles that define our culture. Join us on a journey where innovation and research meet impact, and every team member plays a crucial role in shaping XVIVO's future. We Believe in an Extended Life for Organs. Nobody Should Die Waiting for a New Organ

Our core values: Customer Centric, Research Driven, Purposeful, Collaborative

By submitting your application, you also give your consent to storing your personal information, including CV & Cover letter, and that we own the right to share this information with third parties (our

client). You can withdraw yout consent at any time.

Om företag

ABOUT XVIVO

XVIVO is a medical technology company listed on the Nasdaq Stockholm exchange, with headquarters in Gothenburg, Sweden, a production site in Lund, Sweden, offices in USA, Italy, and the Netherlands. The company is firmly rooted in medical science with its core business in organ transplantation. XVIVO is the first in the world to offer both machines and consumables for all major solid organs. We are committed to bringing innovative technology for storage, evaluation, and treatment of organs to transplant centers around the world, enabling the safe use of more donated organs and ultimately giving more patients the chance of a life-saving transplant.

Company culture

The culture of XVIVO is the culture of a small company with high growth ambitions based on the foundation of a common belief that patient safety, our vision – "Nobody should die waiting for a new organ", is key for our success. We strongly believe in the fact that nothing is impossible and thrive to get the job done. We, no matter which position or work description, are always focused on helping our customers.
