

VIRTUAL SALES TERRITORY MANAGER

Posted on 13 augusti, 2021

Company Name Cepheid AB

Location Sverige

Job Description

As our Virtual Sales Territory Manager you know how to work with a team-based sales strategy, for both new and existing customers. You own, maintain and develop relationships with customers at all levels and use inhouse subject matter specialists to deliver a total solution to meet the needs of the customer.

You will drive and own core growth by both footprint expansion and retaining and growing base business. This role is critical to the organization, with opportunity to build the company's center of excellence for virtual sales / customer success in strategic business initiatives across target segments. The activity is going to be performed remotely in your home office.

ESSENTIAL JOB RESPONSIBILITIES:

- Calls on accounts in sales territory as well as prioritizes sales activities in the accounts in an active sales cycle (existing and competitive) to position Cepheid solutions to meet customer needs
- Develops and manages assigned accounts strategically in order to deliver solutions, achieve set targets and drive revenue growth
- Researches and understands territory growth opportunities for developing an effective business plan and sales strategy
- Maintains and develops partnerships with customers and leverages internal resources, when necessary, to achieve the highest level of customer satisfaction
- Develops the client relationship by understanding both short-term and long-term needs/goals for optimal positioning of Cepheid's products and services
- Schedules sales calls to address customer needs and executes sales strategies through timely follow up, including detailed notes captured through CRM/Salesforce.com
- Builds in-depth knowledge of CRM and funnel management tools and applies these skills consistently to forecast business, manage customer opportunities, build opportunity pipeline, and make business decisions. Maintains records and communications with customer base

through CRM tool

- Prospects new accounts and prepares information for all sales calls to secure new customers
- Educates and provides customers with current product sales information
- Maintains regular and informative communications with all other team members, including cross-functional collaboration with Virtual Account Managers, Product Managers, Field Sales, Field Application Specialists etc

REQUIREMENTS:

- University degree in Biology, Microbiology, Life Sciences or equivalent
- Proven understanding of tactical sales skills: prospecting, qualifying, closing, and growing existing customers
- Ability to analyze possible solutions using technical experience and judgment and precedents
- Strong communication and presentation skills: demonstrated ability to clearly, concisely and accurately conduct a technical presentation
- Highly organized, motivated, and success driven within a team environment
- Excellent time and territory management habits as well as follow up and follow through skills
- Ability to handle an account plan weekly, work diligently within the sales cycle activities, prepare for and deliver business reviews effectively
- Fluency in Swedish and English required - fluency in Finnish would be advantageous
- Proficiency using MS Office tools. The knowledge of a CRM (preferably Salesforce.com) is an advantage
- Customer Focus and Strong negotiation skills complete the profile

Om företag

Cepheid is a molecular diagnostic company dedicated to improving healthcare by developing, manufacturing and marketing accurate yet easy-to-use molecular systems and tests. By automating highly complex and time-consuming manual procedures, the company's solutions deliver a better way for institutions of any size to perform sophisticated genetic testing for organisms and genetic-based diseases. Through its strong molecular biology capabilities, Cepheid is focusing on applications where accurate, rapid and actionable test results are needed most, such as managing infectious diseases and cancer.

Cepheid is part of Danaher Corporation, a global science & technology innovator committed to helping our customers solve complex challenges and improve quality of life worldwide. At Danaher, you can build a career in a way no other company can duplicate. Our brands allow us to offer dynamic careers across multiple industries. We're innovative, fast-paced, results-oriented, and we win. We need talented people to keep winning. Here you'll learn how DBS is used to shape strategy, focus execution, align our people, and create value for customers and shareholders.

Make a difference in healthcare and join us in our mission!
